

Pebbles in the Stream

A “Two-fer” Lucky Block

This is a fast, fabulous block to make two at a time

Fabrics – Batiks or Prints - think Nature ☺

Select two coordinating fabrics that are the colors of water– Blues, Aquas and Greens

You need two - **2½”** by at least **40½”** - WOF strips from coordinating colors to cut two complete blocks at one time. Jelly Roll strips are fine if they are 40½” or longer.

Cutting Instructions for 2 Blocks – Layer your two coordinating 2½” strips, a darker and a lighter, and cut per the cutting diagram below.

1. Lay out the center section of the two blocks as shown in **Fig A**. One block will have dark with light “Pebbles” in the center and the other will have light with dark “Pebbles” in the center. The Pebbles are the 2½” squares
2. Sew all of the center section seams and press them all in one direction.
3. Sew the 2½” by 12½” background strips to each side as shown. Press these long seams open.
